

**SCHOLARSHIP/REDUCED PRICE APPLICATION
2017-2018 SCHOOL YEAR**

The goal of the scholarship program is to provide an opportunity for students to see a live theatrical production at RiverPark Center without regard to financial ability. A limited amount of scholarship dollars are available per production and requests will be granted on a first come, first served basis. Each production has a financial value and it is strongly encouraged that each student provides some type of financial participation whether large or small to insure that the students realize the value of the production and his/her need to participate financially in the arts.

School requesting assistance: _____

Contact Person: _____

Phone: _____ Fax: _____
